Varsity Football

Head Coach — Tom Parker

The 1973 football season was termed as a rebuilding and planning year. The Patriots, lacking any experience, had only one senior returning on defense. But they stayed with it and fought back with great determination with a just few games left. They posted a 3-7 ledger and finished with a 12-0 victory over highly ranked Greenville.

Varsity Basketball

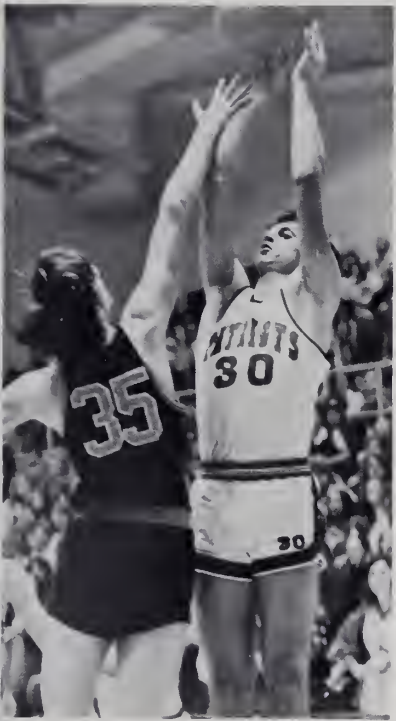

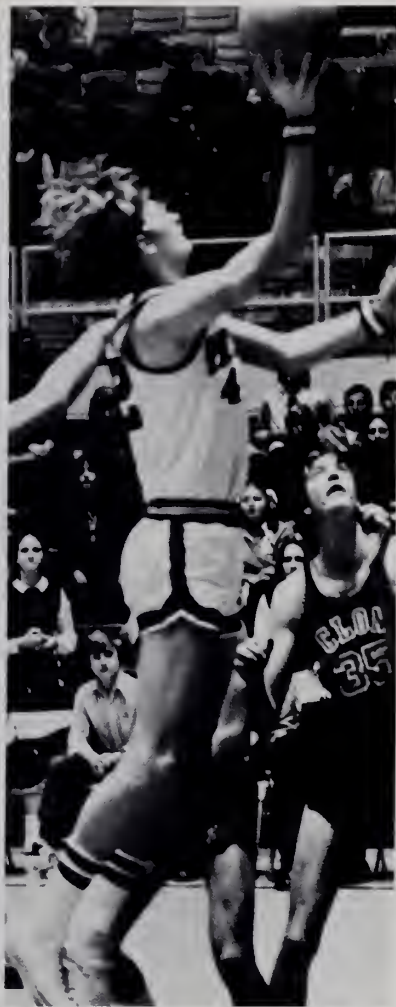

The 1973-74 basketball team under the direction of new Head Coach Rick Trivett, started off with a win over Ketron in the opening game. Prior to this game the players elected Eddie Holtsclaw as the team captain. The lack of experience at the first of the year hampered the team but the Patriots showed determination by their win over Kingsport 64-62 in overtime. The Patriots have improved with every game and barring injuries should be primed and ready by tournament time.

Mrs. Stewart,

It has been great to be in your class. I have learned more this year in English than any other year. I have enjoyed this English year most of all too. I hope I wasn't too much trouble to you. I think you have prepared me well for college.

Thank
you for

help, consid-

you have
given me.

"What we do during our working hours determines what we have in the world; what we do in our play hours determines what we are."

George Eastman

More than 13,000 Eastman people and their families, joining with their neighbors in the civic, religious, governmental and recreational activities of their communities have made a better place in which to live. Doing their share in their leisure hours has, indeed, determined what they are—and has helped make their communities what they are.

All through school I
have looked for a
"perfect" teacher. I have
decided that you are the
one. Your method of
teaching and your relat-
ionship with the students
are just the way I would
like to have it. Thank you
for a teacher. I would
love a teacher like you.
